

A new level of clean

Covers up to 9x the area¹ of a single jet irrigator

99.9%

Removes up to 99.9% of plaque in treated areas²

150%

Up to 150% more effective than floss in improving gum health³

¹ Vs leading competitor, in an in-vitro study, results may vary
² In an in-vitro study, actual in-mouth results may vary
³ Between teeth, after two weeks, in patients with moderate to severe gingivitis, when used with the Quad Stream nozzle on high setting with a manual toothbrush vs. using a manual toothbrush with string floss

PHILIPS

sonicare

Cordless Power Flosser

Flossing reinvented

Philips Sonicare Cordless Power Flosser

Ideal for patients who:

- 1 Are starting a regular flossing habit
- 2 Seek convenience and value portability
- 3 Have more limited counter space

2 :=

Two flossing modes: Clean and Deep Clean¹

Quad Stream cross-shaped nozzle creates four wide streams for a thorough clean between teeth and along the gumline

Pulse Wave technology creates brief pauses in the cleaning pulsations to prompt you to glide the nozzle to the next space

Extra-large reservoir for longer cleaning sessions between refilling

99.9% Removes up to 99.9% of plaque in treated areas²

¹ Features vary by model

² In an in-vitro study, actual in-mouth results may vary
